*Thank you for contacting me*

Here are a few things I would like to share with you about my practice.

- 1) Therapy sessions are 45-50 minutes long. If you have a copay, it is due at the time of session: Cash, Credit/Debit, or check are all accepted. If you are self-pay I will discuss the fees with you and can provide a “super bill” with an estimate of costs you will incur for the year.
- 2) Most insurances do not cover missed appointments. If you have a commercial Insurance or self-pay, and you miss an appointment without notice, you will be charged a rate of \$75.00 or your copay, for the missed session. If you cancel the day of session the fee is \$50.
- 3) If you miss more than three consecutive appointments by either cancelling or not showing up, you will be considered for discharge. Conversely, if there is no response via email, letter, or text after three attempts by River Cove Counseling to ascertain if you will be making further appointments, you will be discharged.
- 4) For those in recovery: For your safety and others, please note that if you are under the influence, and you have driven to the office in person, you will not be admitted into the office. I will ask you to find someone to pick you up or an Uber will be called using the Rive Cove Counseling business account. For future appointments I can accommodate you via a telehealth.
- 5) If you are displeased with any aspects of therapy, I hope you would tell me about it. If we are unable to reach a resolution; I would recommend other therapists.

*I look forward to working with you and hope that our work together will be healing.*
